MINUTES LEAGUE MEETING 8/28/01

The minutes of the 6/12/01 meeting were approved and accepted.

Joe Bear presented the Administrator's report for the BRCL. Joe recommended a review of the fees paid for the league and registration. The V-IS B with Botetourt Co. folded. Joe will try to schedule friendlies for teams that did not register before the fall schedule was published.

Linda Kempainen presented the BRCL registrar's report. To date, 1468 players are registered. The BRCL Travel Team Manual was distributed, and the new Roster Pro Users Manual was distributed to all team managers. A discretionary fund is set-up to receive late fees for teams registering late. The current balance of this fund is \$388.00

There was a comment made at the meeting noting the Joe Bear did a good job on scheduling and that roster pro seemed to be working efficiently. There was also a note that game cards must be properly filled out. Joe will speak to M. Ingveldson regarding this.

Voting of New Officers:

The following slate of officers was presented:

President Paul Radike

V. Pres. Op Butch Wright

There were no nominations from the floor. It was suggested that we amend the by-laws to keep the past president as a Board member for the 12 months following the end of his term. Dean Jones agreed to this, and will be on the Board for another year. The above officers were voted in.

Andrew Walker recognized Dean Jones, and Chuck Wright for their years of service in the BRCL and soccer in general.
